E-Books

You can download eBooks for free with your library card through our Library2Go service.

NOTE: Not all eReaders are compatible with Library2Go. To see a list of compatible eReaders, click here.

- For some eReaders you will need to download Adobe Digital Editions to your computer before you can download ebooks from Library2Go.
- Just like physical library books, ebooks only have a certain number of copies available. If all available copies are checked out, you can place a hold on the book and you'll be notified when it's available for checkout. When you check out an ebook, you can specify if you want to check it out for 7, 14, or 21 days.
- iPhone and iPad users can use the Overdrive Media Console app to read Library2Go ebooks. Instructions can be found in the Supporting Documents section below.
- Although Library2Go has thousands of ebooks to choose from, not every physical book in the library has an ebook equivalent in Library2Go.
- Instructions for downloading ebooks can be found in the Supporting Documents section below. If you get stuck, please send an e-mail to audiohelp@lincc.org.
